BETTER CHOICES FOR MISSISSIPPI

IS a collective, independent voice of public, private, professional, and nonprofit organizations, service and citizen groups, businesses, labor and faith organizations and individuals working together to promote better choices for shared prosperity for all Mississippians. It specifically encourages the collaboration of all interested individuals and organizations working to ensure adequate and sustainable funding for education, mental health and other quality of life issues.

Join us for a conversation about the state economy and find out how recent budget cuts have affected education and job growth in our community.

The forum is open to all who care about protecting and supporting education in Mississippi and preserving jobs.
